

ASID 2012

**The 6th IEEE International Conference on
Anti-counterfeiting, Security, and
Identification
August 24-26, 2012, Taipei**

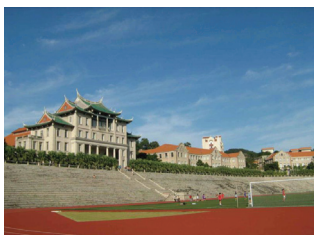

Website: <http://fjic.xmu.edu.cn/asid/index.html>

Call for Papers

Organizers:

*IEEE Taipei Section AP Chapter
Xiamen University
National Taiwan University of Science and Technology*

The 6th IEEE International Conference on Anti-counterfeiting, Security, and Identification (ASID 2012) will be held from August 24 through August 26, 2012, in Taipei. This conference is co-organized by IEEE Taipei Section AP Chapter.

ASID 2012 will provide a unique forum for researchers, engineers and educators interested in live demonstrations describing novel work on systems, applications and services of the Internet reaching out into the real world of physical objects.

Topics include (but are not limited to):

- *Cloud Computing & Internet of Things (IoT)*
- *Micro/Nano-sensor and RFID Techniques*
- *Multi-core Processor and Reconfigurable Computing*
- *IC Design and System Integration*
- *Cryptographic Algorithm and Security Management*
- *Next Generation Networking and IPv6*
- *Wireless Communication and Networking Engineering*
- *Cognitive Radio and Software Defined Radio*
- *Pattern Recognition and Applications*
- *EMC Theory and Applications*

The conference proceedings including all the presented papers with full (member or non-member) registrations will be published by IEEE and indexed in EI. **The outstanding papers will be recommended for publication in a special issue of SCI-indexed journal, Journal of the Chinese Institute of Engineers (JCIE).**

Author's Schedule

Prospective authors should note the following deadlines:

Paper submission deadline	May 25, 2012
Notification of paper acceptance	June 15, 2012
Final paper submission deadline	July 15, 2012
Authors' registration deadline	July 15, 2012
